In his second season as Bulls head coach (1980-81), he advanced the Bulls to the second round of the playoffs in the team's first playoff appearance following a three-year absence. He served as an assistant coach in Chicago for two seasons

(1977-79) and worked as a Bulls scout in 1976-77. He served briefly as head coach of the Evansville Thunder in the CBA in 1984 but resigned to take the job as Layden's assistant before ever coaching a game.

A two-time NBA All-Star (1967, 1969), Sloan averaged 14.0 points, 7.4 rebounds and 2.5 assists in 755 games played over 11 NBA seasons with Chicago and Baltimore (1965-76). He also earned four NBA All-Defensive First Team selections (1968-69, 1971-72, 1973-75) and two Second Team selections (1969-71), and is the only player in NBA history to average seven-plus rebounds and two-plus steals per game for his career. Nicknamed "The Original Bull" after the Chicago Bulls selected him first in the 1966 Expansion Draft, Sloan proceeded to play 10 seasons in Chicago (1966-76) and ranks in the top five on Chicago's alltime ledger in numerous categories. After a knee injury prematurely ended his career in 1976, Chicago retired his No. 4 jersey on 2/17/78, becoming the first Bull to receive such an honor. Sloan played three collegiate seasons at Evansville, where he was twice named NCAA Division II Tournament Most Outstanding Player as his Purple Aces won consecutive national championships. In 2006, he was one of 10 players named to the NCAA Division II 50th Anniversary All-Elite Eight Team.

One of 10 children, Sloan was born in McLeansboro, Ill., where he still makes his offseason home. Kevin O'Connor is entering his 18th season overall with the Jazz and is currently serving as the team's senior advisor. Previously, before the franchise hired

Dennis Lindsey in the summer of 2012, he was the second-longest tenured general manager in the NBA behind only Geoff Petrie of the Sacramento Kings (18 seasons). Among some of the key moves orchestrated by O'Connor during his tenure with the Jazz are acquiring the draft picks (through trades) that led to the selections of Gordon Hayward and Deron Williams. Other notable acquisitions include trading for Derrick Favors, Al Jefferson, Marvin Williams and Mo Williams, the free-agent signings of Carlos Boozer, Matt Harpring and Mehmet Okur, and draft finds like C.J. Miles (34th overall in 2005), Paul Millsap (47th overall in 2006), Mo Williams (47th overall in 2003) and Wesley Matthews (undrafted rookie free agent in 2009).

During his time as general manager from 1999-2012, the Jazz compiled a record of 589-461 (.561), finishing with a .500-or-better record in 11 of 13 seasons and advancing to the playoffs nine times while winning three division titles. Along the way, O'Connor was able to successfully transition the team from the final years of the John Stockton/Karl Malone era into a perennial playoff team and 2007 Western Conference finalist despite having only three top-10 draft selections (Williams in 2005, Hayward in 2010, Kanter in 2011) since 1983.

Prior to joining the Jazz, O'Connor spent two seasons as the director of player personnel for the Philadelphia 76ers, charged with player evaluations and supervising the team's scouting department. He has also served as a scout for the Jazz, the New Jersey Nets, the Portland Trail Blazers and the Los Angeles Clippers.

In addition to his NBA experience, O'Connor served as an assistant coach to Larry Brown at UCLA in 1980 when the Bruins advanced to the NCAA championship game. He was also an assistant at Virginia Military Institute when it made an improbable run to the Elite Eight of the 1976 NCAA Tournament, and he helped coach Virginia Tech to a 22-5 record and the 1973 NIT Championship. His collegiate coaching career included assistant coaching jobs at Virginia Tech (1972-74), VMI (1974-76), the University of Colorado (1976-79) and UCLA (1979-85).

Born in the Bronx, O'Connor grew up in Staten Island, N.Y. He earned a degree in economics and business in 1969 from Belmont Abbey College in Belmont, N.C., where he helped lead the basketball team to a 21-5 record his senior year. He then served a two-year stint in the U.S. Army from 1969-71.

2008-09 UTAH JAZZ

RECORD: 48-34 (.585), 3rd in Northwest Division

HEAD COACH: Jerry Sloan

HONORS:

- Jerry Sloan, Coach of the Month (February) - Deron Williams. Player of the Week (3/9)

PLAYOFFS:

-Lost to L.A. Lakers (1-4) in First Round

DRAFT ADDITIONS:

- 1ST ROUND 23RD PICK Kosta Koufos (C), Ohio State

2008-09 NOTES:

- -Head coach Jerry Sloan and former Jazz great John Stockton were elected to the Naismith Basketball Hall of Fame on 4/6/09.
- -Sloan became the only coach in NBA history to win at least 1,000 games with one team with the Jazz's 104-97 win over Oklahoma City on 11/7.
- -Sloan, the longest tenured coach in NBA history and the longest current head coach in major professional sports, celebrated his 20th anniversary as Jazz head coach with a 99-96 win at Minnesota on 12/9.
- Legendary Jazz broadcaster "Hot" Rod Hundley called his 3,000th Jazz game when the team, ironically enough, defeated the New Orleans Homets on 1/7.
- · Hundley, who called games for the first 35 seasons in Jazz history, dating back to the franchise's inception in New Orleans in 1974, retired following the Jazz's elimination from the 2009 playoffs.
- •The Jazz advances to the playoffs for the third straight season and the 18th time in Jerry Sloan's 21 years as Jazz head coach.
- •The Jazz finishes with a .500 or better record for the 25th time in the last 26 years and with a winning record for the 22nd time in the last 24 years.
- ·Utah lost 156 man-games overall and 148 due to injury/illness, many to key players (45 games for Carlos Boozer, 15 for Andrei Kirilenko, 14 apiece for Deron Williams and Matt Harpring) that forced the Jazz to use 20 different starting lineups.
- -The Jazz did not have its projected starting lineup of Miles, Boozer, Okur, Brewer, Williams until Game 57 (2/23/09 vs. Atlanta).
- •The Jazz wins 12 games in a row from 2/11 3/10, marking the fourth-longest winning streak in franchise history.
- -The team finished the season leading the league in assists (24.7) and steals (8.77), ranking third in field goal percentage (.475) and seventh in scoring (103.6).
- Deron Williams averaged career highs of 19.4 points and 10.7 assists per game (ranking second in the NBA behind Chris Paul).
- *Williams had five games in a row with 30+ points and shooting at least 50 percent shooting (1/31-2/11), the first time the feat was reached by an NBA point guard since Pete Maravich did it with the New Orleans Jazz in 1976. The last player overall to do so was LeBron James in 2007; the last guard was Michael Jordan in 1996 and the last Jazzman to do it was Karl Malone in 1995.
- Paul Millsap, filling in for injured Carlos Boozer, posted a 19-game double-double streak, which was the longest of the NBA season and most since Kevin Gamett had 33 in a row in 2006. The streak was the most by a lazarman since John Shockton had 25 in 1991.

2010-11 NOTES:

- Utah finished below .500 for only the second time in the last 28 years (2004-05), and the fourth time in that span the Jazz missed the playoffs.
- The Jazz missed the playoffs for the first time since 2006.
- The Jazz started the season 24-11, but finished 15-32 thereafter.
- On 2/10/11, head coach Jerry Sloan and lead assistant Phil Johnson announced their resignations and Tyrone Corbin was named the seventh head coach in Jazz history (only the fourth since the fear moved to Utah in 1979).
- On 2/23/11, the Jazz traded All-Star guard Deron Williams to New Jersey in exchange for guard Devin Harris, rookie forward Derrick Favors, and two future first-round picks.
- The Jazz finished 13-3 for the month of November, the second-best November winning percentage in franchise history (11-2, .846 in 1996-97). Only twice had the Jazz ever won more than the 13 games in a month (15-2 in March 1998 and 14-1 in March 2000).
- The Jazz swept a four-game East Coast trip from 11/9-11/13/10, overcoming double-digit deficits to win each game at Miami (trailed by 22), Orlando (18), Atlanta (11) and Charlotte (/19). It marked the second straight year the Jazz swept a four-game road trip (2/16-2/21/10), which prior to last season the team hadn't done since 1998-99.
- The Jazz became the first team in the shot clock era to win three consecutive games after trailing by at least 10 points at the half (11/6-11/10/10).
- On the season, the Jazz overcame double-digit deficits to win 15 times, overcoming 15+ point deficits on seven occasions.
- Prior to being traded, Deron Williams was selected as an NBA All-Star for the second straight season, becoming the sixth player in franchise history to be chosen multiple times (Boozer, Dantley, K. Malone, Maravich, Stockton).
- Utah finished the season fifth in the league in assists (23.4) and third in blocks (5.9).
- Al Jefferson ranked eighth in NBA in rebounding (9.7) and ninth in blocks (1.87), and Paul Millsap ranked 10th in field goal percentage (.531).
- Jefferson was the only Jazzman to appear in all 82 games (all starts) and led the Jazz's season-ending roster in scoring (18.6), rebounding (9.7), blocked shots (1.87)
 and double-doubles (37).

HISTORY OF THE JAZZ NAME AND LOGO

On March 7, 1974, New Orleans became the 18th member of the NBA as a nine-man group headed by Fred Rosenfeld and Sam Battistone paid \$6.15 million for the expansion franchise. Then on May 3, 1974, Pete Maravich was acquired by trade from Atlanta, becoming the first player in franchise history.

That spring, a contest was held to name the expansion team. Of the more than 6,500 names submitted, eight semi-finalists emerged; Jazz, Dukes, Crescents, Pilots, Cajuns, Blues, Deltas, and Knights.

After much deliberation, team officials announced that the new team name would be the New Orleans Jazz on June 7, 1974.

Three contestants had entered the Jazz name with the same postmark date, so team officials had Miss New Orleans 1974, Kay Johnson, choose a winner out of a hopper. That winner was Steve Brown, a 27-year old broker and transplant New Yorker.

Brown, a self-proclaimed Jazz freak who had once played in a league with Julius Irving, said, "I grew up on Knickerbocker basketball, but this is my team now." He received two Jazz season tickets and a trip to the 1975 NBA All-Star Game in Phoenix

As the undisputed "Jazz capital of the world", the city embraced the new name. And, for the second time. Jazz had been born in New Orleans. To convey a distinct Mardi Gras theme, purple. gold, and green colors were used and the logo featured the 'J' as an eighth note. The team colors were actually selected prior to the name.

"Jazz is one of those things for which New Orleans is nationally famous and locally proud," owner Fred Rosenfeld said, "It is a great art form which belongs to New Orleans and its rich history."

"As for the tradition of Mardi Gras, the three colors are emblematic of the following: purple for justice, green for faith, gold for power."

The Jazz remained in New Orleans for five years (1974-79) before ownership decided to move the team to Salt Lake City following the 1978-79 season. Despite no history of Jazz music in Utah, the name was kept.

Although many at the time had reservations about Utah's ability to successfully support an NBA team. Utah Jazz fans became some of the most loyal fans in the league. To this day, saxophones, Caiun food, and Mardi Gras beads may be hard to come by in Salt Lake City, but Jazz is definitely in the air.

OUICK JAZZ FACTS:

- •The Jazz name was selected because of its definition in the dictionary: "collective improvisation."
- ·The source of the word "Jazz" is not clear, but the word is often regarded as being of African or Creole origin.

LARRY H. MILLER

LARRY H. MILLER

NO. 9 BANNER RAISED AND COURT DEDICATED IN HIS HONOR ON APRIL 14, 2010

A man who truly loved Utah, Larry H. Miller was a well-known entrepreneur, community advocate and humanitarian, who owned the Utah Jazz for 24 years prior to his death in February 2009 ... Miller purchased 50-percent interest in the Jazz on April 11, 1985 from then-owner Sam Battistone, then bought the remaining half on June 16, 1986 ... Under his ownership, the franchise grew considerably and became a winner both on and off the court ... Miller's success as owner of the Jazz was just one chapter in his amazing saga of business achievement and community involvement ... His unwavering personal commitment to professional sports in Salt Lake City created the foundation for a strong franchise in one of the league's smallest markets and was rewarded with achievements such as consecutive trips to the NBA Finals in 1997 and 1998 and hosting the NBA All-Star game in 1993 ... The founding owner of the Larry H. Miller Group of Companies, whose primary business is a network of automobile dealerships spanning the Rocky Mountain West ... His career in the automotive industry grew from roots in the parts business in both Salt Lake City and Denver before he purchased his first dealership in 1979 ... The Larry H. Miller Group of Companies began with the Larry H. Miller Toyota store in Murray, Utah on May 1, 1979 ... Through the years, Miller amassed more than 80 businesses and properties in the western United States, most notably the Jazz, Vivint Smart Home Arena, the Salt Lake Bees (AAA-affiliate of the Los Angeles Angels of Anaheim), Miller Motorsports Park, Megaplex Theatres, and dozens of automobile dealerships spanning the Rocky Mountain West ... Miller also developed vast real estate holdings including commercial and agricultural properties ... In March 2003, Miller opened the Zions Bank Basketball Center, the Jazz's premier basketball training and practice facility which features two full-size NBA courts, totaling 22,200 square feet of court ... His most visible contribution to Salt Lake City was his privately owned Vivint Smart Home Arena, which under his supervision, was completed in 1991 in a then-record 15 months and 24 days, and has served as home for the Jazz for the past 22 seasons ... He received awards from Sports Illustrated, and the American Import Auto Dealers Association for his work in the automobile industry ... In 1992, he was

"NOBODY LAID DOWN, NOBODY QUIT, NOBODY LEFT ANYTHING IN THE LOCKER ROOM. IT WAS ALL OUT THERE ON THE FLOOR...

I'VE ALWAYS SAID TO OUR GUYS 'I'LL NEVER ASK YOU TO WIN, BUT I WILL ASK YOU TO GIVE US EVERYTHING YOU'VE GOT.' "

honored by the International Softball Congress when he was inducted into the ISC Hall of Fame as one of the top pitchers in the country ... He was also awarded honorary doctorate degrees from the University of Utah, Weber State University, Salt Lake Community College and Utah Valley State College ... He was named Utah's 1997 Master Entrepreneur of the Year and received numerous other honors from business, civic and non-profit organizations ... He coined the phrase "Go about doing good until there is too much good in the world" ... Miller and his wife Gail provide close to 300 college scholarships each year ... Larry H. Miller Charities, a foundation funded by monthly contributions from his businesses, fundraising events in the community, and personal donations from employees, has donated millions of dollars to communities in which the Larry H. Miller Group does business ... Larry and Gail also donated millions of dollars to Utah-based colleges and universities for campus improvements such as the state-of-the-art softball and baseball complexes at BYU ... The Larry H. Miller Campus of the Salt Lake Community College (SLCC), was completed in fall 2001 and includes the Larry H. Miller Entrepreneurship Training Center and The Larry and Gail Miller Public Safety Education & Training Center ... Born in Salt Lake City in 1944, Miller grew up modestly in the Capitol Hill area before becoming one of Utah's most successful entrepreneurs and business leaders ... He died from complications due to type 2 diabetes at the age of 64 on February 20, 2009 ... He left behind a profound professional and personal legacy, created a significant and lasting impact on the communities in which he did business, and the more than 7,000 individuals he employed ... Despite all of his success, Miller always maintained that his greatest accomplishment is the family that survives him: his wife, Karen Gail Saxton Miller, their four sons and one daughter, grandchildren, and great grandchildren ... On April 14, 2010, Miller was honored by the Larry H. Miller Corporation as its employees participated in a day of service, his softball No. 9 was raised to the rafters of Vivint Smart Home Arena, and the basketball court was dedicated as Larry H. Miller Court at Vivint Smart Home Arena.

# TEAM INFO

### JAZZ IN THE COMMUNITY

The Utah Jazz have a strong tradition of giving back to local communities. The team implements a variety of outreach events and programs in partnership with its community and corporate partners in an effort to make a difference in the lives of those in need.

#### THANKSGIVING DINNER

Every November, the Jazz and Larry H. Miller Sports & Entertainment employees host the "We Care - We Share" Thanksgiving dinner at Vivint Smart Home Arena, as part of the NBA Cares Season of Giving and to demonstrate the organization's ongoing commitment to service and community outreach. The 17th annual event, with the help from All-Star Catering, Salt Lake City Mission and Utah Food Services, provided 3,260 meals for people in need.

#### CHRISTMAS HOSPITAL VISITS

A Jazz tradition for more than 30 years, Jazz players, coaches, America First Jazz Dancers and Jazz Bear visit local hospitals in December to brighten the holidays for patients and their families. Last season, the team visited Primary Children's Medical Center and Shriners Hospitals for Children - Salt Lake City and distributed more than 300 autographed mini-basketballs.

### AN EVENING WITH THE UTAH JAZZ

This past spring, the Utah Jazz hosted "An Evening with the Utah Jazz," their new, signature gala. The redesigned event was a celebration of sport and an evening of inspiration that benefited Special Olympics Utah and Larry H. Miller Charities. Guests had the opportunity to interact with Jazz players, coaches and alumni in variety of interactive games on the main floor of Vivint Smart Home Arena, while also enjoying a three-course gourmet dinner and bidding on live and silent auction items.

#### COMMUNITY BASKETBALL COURTS

The Utah Jazz and Larry H. Miller Charities collaborate with local cities on the construction of public outdoor basketball courts in Utah. Since 2001, 16 Utah Jazz community courts have been built or funded along the Wasatch Front. Court locations include: Sugarhouse Park (Salt Lake City); Smith Fields Park (Draper); Fisher Park (Clearfield); Taylorsville Recreation Center (Salt Lake City); Meller Park (American Fork); Veterans Memorial Park (West Jordan); Palmer Court Housing Development (Salt Lake City); Neptune Park (Saratoga Springs); Ron Wood Memorial Park (West Jordan); Bonneville Park (Ogden); South Salt Lake (Central Park); West Bountiful City Park (West Bountiful City); and Kearns (Lodestone Park).

Farmington (Farmington Sports Complex) and Midvale (Bingham Junction) are in the process of completing their community courts.

# MARTIN LUTHER KING JR. DAY SCHOLARSHIP

In January, Larry H. Miller Sports & Entertainment, in conjunction with the National Association for the Advancement of Colored People (NAACP) Salt Lake Branch, awarded the Larry H. Miller Youth Scholarship to an outstanding local student during the annual Martin Luther King Jr. Day memorial luncheon. Funding for the college scholarship is provided by Larry H. Miller Charities, which focuses its contributions on nonprofit organizations and programs that benefit youth and women in the areas of health and education.

Last year's recipient was Murray High School senior Aubrey Hodges, who received a \$3,000 scholarship and an engraved silver bowl.

### **NEWSPAPERS IN EDUCATION**

The Utah Jazz collaborates with the Deseret News to produce an annual educational special section that addresses topics relevant to youth. Teachers can request copies of the supplement for use in the classroom. Last season, more than 400,000 copies of the 12-page pull-out titled "Be your Best. Self. Ever." were distributed to local teachers and newspaper subscribers and outlined steps children could take to become the best version of themselves.

#### WHEELIN' JAZZ

The Wheelin' Jazz represent the Utah Jazz as a member of the National Wheelchair Basketball Association (NWBA), competing as a nationally ranked team in the Championship Division. The team began in the early 1980s and is comprised of 14 players, who play in tournaments around the country. The Wheelin' Jazz are a non-profit organization that provides physical, social, and emotional therapy to individuals with a physical disability through participation in high-level athletic competition. They have produced two men's Paralympic athletes, including a gold medalist, and four men's national team players.

### **TICKET DONATIONS**

The Utah Jazz Player Ticket Donation program offers non-profit organizations, schools and community groups the opportunity to enjoy a Jazz game, free of charge. In addition to the player donations, Jazz General Manager Dennis Lindsey also purchased a block of Jazz tickets that were distributed donated to local school teachers and staff as a way to thank them for their efforts in the classroom. Since 2006, more than 50,000 tickets have been distributed to the community.

### JAZZ IN THE COMMUNITY

### **BEAR HUGS FOR KIDS**

The annual Bear Hugs for Kids Christmas shopping event is part of a series of community activities hosted by the Utah Jazz Bear to benefit children in need. The event gives pre-selected youth the opportunity to purchase items for themselves and their families. Last December marked the 16th annual Bear Hugs for Kids event and 1,000 underprivileged youth from Salt Lake City, Lehi and Price received holiday gifts through this program.

#### JAZZ DENTAL DAY

Since 2015, the Utah Jazz and TeamSmile partner together to provide local, underprivileged youth with complimentary dental care. Each April, the team brings 300 students from the Salt Lake City School District to Vivint Smart Home Arena to receive cleanings, x-rays and fillings from volunteer dental professionals in a fun and non-threatening environment with the hopes of educating children on the significance of good dental hygiene.

TeamSmile is a non-profit organization based in Kansas City that creates partnerships with professional teams, local dentists, dental organizations, dental schools and area volunteers to help promote the importance of dental care.

#### JUNIOR JAZZ YOUTH BASKETBALL

Junior Jazz is the largest and longest-running youth basketball league in the NBA. The program emphasizes the development of fundamental basketball skills, teamwork, sportsmanship and fun, and includes more than 50,000 players in seven states. Jazz players conduct Junior Jazz basketball clinics throughout the season.

For the past 32 years, Junior Jazz has embarked on a summer caravan, with current Jazz players and alumni running hour-long basketball clinics for kids in participating Junior Jazz towns across Utah, Nevada, Wyoming and Idaho. The three-week, 40-city event reaches more than 2,000 boys and girls, while covering more than 4,000 miles.

### CHARITABLE AUCTIONS

The Jazz host silent auctions at designated home games throughout the season, where fans have the opportunity to bid on autographed sports memorabilia. The Jazz Silent Auction Table is located between Portals J and K on Vivint Smart Home Arena's main concourse. Proceeds benefit Larry H. Miller Charities, a non-profit organization that has helped hundreds of charitable organizations, including Make-A-Wish Utah, Ronald McDonald House, Boys & Girls Clubs, Prevent Child Abuse Utah and many others.

### JAZZ COMMITMENT TO SERVICE

"Commitment to Service" is a unique collaboration between the NBA and Department of Defense. This past season, in honor of Veterans Day, Jazz Head Coach Quin Snyder, players and front office personnel partnered with active military personnel from Hill Air Force Base for a community service project at the Utah Food Bank. The participants helped sort food and pack backpacks with nutritious items.

#### **JAZZ FIT**

The Jazz Fit program highlights the importance of health and wellness through a variety of clinics and community outreach activities throughout the year. Each January, Jazz Fit ramps up its efforts in conjunction with the league-wide NBA FIT Live Healthy Week, and hosts 10 Jazz Fit clinics – led by Wheelin' Jazz members, America First Jazz dancers, and the stunt team – at local middle schools to encourage the students to be active, eat healthy and play together.

#### DAY OF SERVICE

Since 2010 the Utah Jazz organization has participated in the Larry H. Miller Day of Service, an annual event that honors company founder, the late Larry H. Miller, on his birthday (April 26). Jazz staff join other Larry H. Miller Group employees in a day of hands-on service to give back to the communities where they live and work.

#### PASS IT ALONG

The Utah Jazz and Mountain America Credit Union again partnered together for "Pass It Along," a fan nomination program that awards a total of \$25,000 to five local charitable organizations each season. The program gives Jazz fans the opportunity to help select the winning organizations nominating the local charitable organization that they feel goes above and beyond to give back to the community.

### LARRY H. MILLER CHARITIES

Based in 46 states, the Larry H. Miller Group of Companies encompasses more than 80 businesses and properties that primarily fall within seven categories: automotive retail, automotive insurance, finance, real estate, retail, movie theaters and professional sports. The company employs nearly 10,000 individuals.

Larry H. Miller Charities (LHM Charities) is a nonprofit organization that functions as a charitable arm of these many companies. A board of 12 trustees regularly meets to review proposals and requests. Funding is granted to qualified 501(c)(3) nonprofit groups that assist those who live in the communities where Miller companies conduct business. Donations are directed toward programs that benefit women and children in the areas of health and education.

Funding for LHM Charities is generated through personal donations from Larry H. Miller Group employees, matching funds contributed by the Miller family, monthly support

from Miller companies, and donations from the general public. Several fundraising events are held each year, including Leapin' Leaners & Low Tops, a popular charitable gala hosted by the Utah Jazz in which players and coaches take an active part.

Since its inception in 1995, Larry H. Miller Charities has assisted a multitude of organizations and worthy causes. This past year, donations were given to groups such as: Boys & Girls Clubs, Make-A-Wish, Prevent Child Abuse, House of Hope, Operation Warm, YWCA, The Salvation Army, Family Connection Center, MDA, Habitat for Humanity, Mountainlands Community Health Center and many schools.

LHM Charities has collaborated with the Utah Jazz and NBA on many community projects, including the construction of numerous outdoor basketball courts in public parks along the Wasatch Front.

### **UTAH JAZZ BEAR**

Now in his 23rd season, Bear, the loveable and playful mascot of the Utah Jazz, has entertained millions of fans at more than 800 Jazz home games since his introduction on November 4, 1994. Although he is known for his on-court antics at Jazz games like sledding down the stairs at the Vivint Smart Home Arena, rappelling from the arena

rafters, teasing referees, high-fiving fans, shooting silly string and giving hugs to children, it's his many hours of service to the community that makes Bear the incredible mascot he is. His attitude and energy bring laughter to everyone.

In addition to Jazz games, he has enriched Utah by donating time to schools, community centers and hospitals. Each year, Bear entertains and instructs grade school students through assemblies which strive to teach students how to make informed and intelligent life choices. For the past 22 years, Bear has appeared at

numerous events for organizations like Big Brothers Big Sisters, Special Olympics, D.A.R.E (Drug Abuse Resistance Education), Toys for Tots, Race for the Cure, Utah Food Bank and Happy Factory. Bear also hosts his annual "Bear Hugs for Kids" program each year, taking hundreds of underprivileged youth on a shopping spree to purchase Christmas presents for themselves and their families.

A member of the Mascot Hall of Fame and honored by three different Utah governors, Bear has received dozens of service awards for his charitable work and contributions. On October 10, 2013, Utah State Governor Gary Herbert declared the day as "Jazz Bear Day" in recognition of his 20th season as the Jazz mascot and his countless hours

of community and public service and his standing as an important citizen of Utah. Bear received similar recognition from then-Governor Olene Walker for his 10th birthday on June 9, 2004. Bear was again honored when then-Governor Jon Huntsman Jr. declared August, 10, 2006, "Jazz Bear Day" and announced Bear's selection to the national Mascot Hall of Fame. Bear's induction into the second class of the Mascot Hall of Fame was on August 15, 2006 in Philadelphia. The highest honor bestowed upon mascots, the mission of the Hall of Fame is to recognize great mascot performers, performance and programs that have

inspired tradition and positively affected communities.

Bear has also received the NBA Mascot Leadership Award on multiple occasions, and was selected by his peers as the NBA Mascot of the Year in 2006 and 2008.

### LARRY H. MILLER COURT

The Utah Jazz basketball court at Vivint Smart Home Arena was dedicated as Larry H. Miller Court on April 14, 2010.

### VIDEO DISPLAY SYSTEM

A new center court high definition video display system (seven times larger than its predecessor), including upper deck corner boards with video and statistics, audio system improvements, and other digital enhancements was installed in the arena prior to the 2013-14 season.

Utah-based Young Electric Sign Company (YESCO), manufactured and installed the custom-designed and integrated system, whose primary component weighs about 55,000 pounds. Anthony James Partners served as consultants in the design and procurement of the system.

A new rectangular-shaped, center-hung scoreboard with twin 1080p HD screens is 42-feet-long and 24-feet-high and runs along the length of the court. The 720p HD end screens facing each baseline measure 26-feet-long and 17-feet-high for 2,900 total square feet. By comparison, the previous standard-definition 10 x 10 foot boards, installed in 2001, totaled 400 square feet.

Another prominent feature of the video display system is the installation of four auxiliary video boards in the corners of the Vivint Smart Home Arena upper bowl, measuring 37-feet-long and 12.5-feet-high with the capability of showing video highlights and in-depth information such as basketball game statistics.

Two LED light rings – one new and another upgrading the existing electronics – now encircle the arena fascia between the upper and lower bowls. An LED space ring encircles the top of the center-hung video unit. Courtside patrons benefit from the inclusion of two screens located on the inside of the primary side screens allowing them to look up, underneath the video board, for an easy sightline to what is being displayed. Digital signage is also featured on the inside

portals of the arena and on the floor behind the basket in padded, portable units. Operational elements of the system are integrated for both unique and all-in-one programming.

An upgraded audio system complements the new video system providing a range of high-quality sound for concerts and shows, improving the clarity of announcements throughout the arena, and further enhancing the patron experience for all entertainment events at Vivint Smart Home Arena.

Advanced-technology features and specifications of the new video display system include:

Center-hung Video Boards: Two, HD primary side screens which are larger than 1080p, 24' x 41.3', 1152 x 1984 pixel matrix; two, HD primary end screens, 16.67' x 26', 800 x 1248 pixel matrix; two, ventral screens, 9.3' x 16.67', 448 x 800 pixel matrix

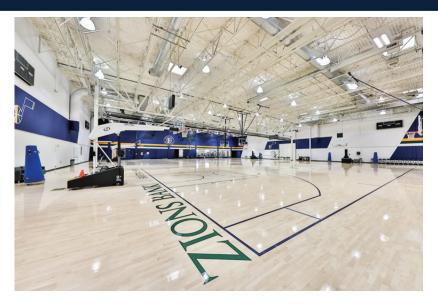

**Space Ring:** 10mm, LED one-sided ring above scoreboard, 5' x 327.17', 144 x 9664 pixel matrix

**Upper Bowl Auxiliary Boards:** Four, 10mm LED corner boards, 12.46' x 36.83', 368 x 1088 pixel matrix

**Light Ring:** Two, 20mm LED fascia displays,  $2.7' \times 830'$ ,  $40 \times 11,952$  pixel matrix (1),  $40 \times 12,256$  pixel matrix (1)

**Court-level Kickplate LED:** Four, 10mm LED displays in padded portable unit on baseline, 1.0' x 22.75', 32 x 672 pixel matrix
